EXPERIENCE

Triptales Commercials Pvt. Ltd, BHUBANESWAR — *Software Testing & Technical Support(Intern)*

16 May 2024 - 14 Aug 2024

As a Tech Executive Intern at Triptales Commercials Pvt Ltd, I was instrumental in enhancing web applications by utilizing advanced software tools and technologies. My key contributions include:

- **Software Testing:** Conducted rigorous testing using Apache JMeter to optimize performance and ensure robustness of web applications.
- **Technical Proficiency:** Gained hands-on experience with a variety of technologies including VS Code, React, Bootstrap and Apache JMeter, which enabled me to efficiently address and resolve technical issues.
- **Problem Solving:** Collaborated closely with the development team to troubleshoot and resolve issues, leading to a more stable and efficient product offering.

This role not only enhanced my technical skills but also developed my ability to work effectively in a dynamic team environment, ensuring the delivery of high-quality software products.

Triptales Commercials Pvt. Ltd , **BHUBANESWAR —Junior Software Developer(Full-Time)**

16 Aug 2024 - Present

As a Junior Software developer at Triptales Commercials Pvt Ltd, I am instrumental in enhancing web applications by utilizing advanced software tools and technologies. My key contributions include:

- Collaborated with a cross-functional team to design, develop, and maintain web-based application for DIALURBAN's digital services platform.
- Utilized technologies such as React.js, Next.js, and Node.js to build scalable and user friendly features.
- Participating in the development of responsive UIs and improving overall performance and user experience.
